

HAIKU AUSTIN is a poetic, pictorial ode to all things ATX. The gift book from Austin publisher Haiku Empire Press features photography and poetry by Carlotta Eike Stankiewicz, poet and longtime Austinite. From Alamo Drafthouse to Zilker Park, *Haiku Austin* pays tribute to the city's iconic landmarks, legendary music scene, favorite foods, UT traditions, infamous eccentricities and much more. Its pages are filled with gorgeous full-color photos complemented by short, witty poems in the traditional haiku format (17 syllables, in a 5-7-5 arrangement on three lines).
